## **InMotion Global's AscendTMS™ System Partners With 123 Loadboard®**

***AscendTMS™ users get a free 123 Loadboard® account worth up to \$75 per month.***

Brandon, FL – December 11, 2015

InMotion Global, Inc. announced today that it has partnered with 123 Loadboard®, a leading industry load-board network. The partnership gives AscendTMS™ users a free 123 Loadboard® account for 1 year, worth up to \$75 per month.

Tim Higham, president and CEO of InMotion Global said; “123 Loadboard® is a leading player in the industry in North America. To partner with them is exciting. Moreover, for our users to get a totally free load board account with them, worth up to \$75 per month, was icing on the cake. This means that AscendTMS™ users can now post their loads and also *search* for loads and trucks, for free, through 123 Loadboard®.”

AscendTMS™ continues to be unique on several fronts. It continues to be the only transportation management system (TMS) offered at no cost for the base system, it's the only TMS that can be launched immediately from a website by new users, and it's the only TMS offering requiring no contract, no upfront fees, and no long-term license agreement. AscendTMS™ continues to be the world's leading cloud based freight brokerage software, trucking software, and shipping software, and has won every major industry award over the last 13 years.

----

**About InMotion Global:** InMotion Global, Inc. provides the free, award-winning, patent-pending Transportation Management System, AscendTMS®, to freight shippers, freight brokers, and trucking companies. AscendTMS® is used by thousands of companies in 19 countries, from small single-person logistics operations to multi-billion dollar international corporations, to manage any logistics operation. AscendTMS® is 100% free to use, requires no upfront fees, no annual license cost, requires no downloads or installations, is mobile certified, and provides enterprise level TMS features to manage and operate any logistics operation. AscendTMS® is the world's leading cloud based freight brokerage software, trucking software, and shipping software, and is currently the world's fastest growing and most widely used TMS solution, adding over 20 new corporate customers per day. InMotion Global, Inc. is headquartered in Brandon, Florida. Learn more at [www.TheFreeTMS.com](http://www.TheFreeTMS.com) or at [www.InMotionGlobal.com](http://www.InMotionGlobal.com).
