## **AscendTMS Adds Live Business Consulting Services For Carriers Via ATBS Partnership**

**The Largest Trucking Business Consultant and The Largest TMS Software Provider Have Joined Forces To Steer Carriers In The Right Direction For Almost Any Business, Tax or Bookkeeping Question They May Have**

**Tampa, Florida, February 8, 2023** – InMotion Global Inc. announced today that AscendTMS, the world’s most popular and number one rated transportation management software (TMS), has joined forces with ATBS, the nation’s largest tax, business consulting, and bookkeeping firm in the transportation industry, to provide carriers with live, real-time business advice and business consulting services.

ATBS has been helping small carriers become more profitable for over 25 years, helping over 150,000 customers achieve their goals. AscendTMS serves the exact same market, and today they have 52,233 customers.

Both companies are highly profitable, growing, and highly regarded in the trucking and logistics market.

Todd Amen, CEO of ATBS, said; “With AscendTMS, we can now bring our comprehensive and convenient tax and accounting services to their large audience of small fleets. We align so well together with our passion to deliver the best in class services to help small trucking companies. Our partnership will give

our clients the opportunity to try the best in class TMS for free, while we are able to deliver the best trucking back office services to help their existing client base”.

Tim Higham, CEO at Ascend TMS, stated; “ATBS and AscendTMS can now provide any sized carrier with the resources, skills, technology, and live business advice to help them grow, increase their profits, and reduce their costs. Many small carriers dream of becoming bigger carriers and becoming more profitable, and this partnership between two leading and proven solutions gets them there fast. Carriers love it. They get live friendly trucking business experts on the phone that can answer almost any business, tax, or bookkeeping question for them. They’ll even benchmark their rates and costs against the entire market to let them know where they stand and how they can **get better (suggestion: improve their bottom line)**. ATBS is an amazing service for any carrier looking to grow and prosper.”
